Where to position yourself on the start line

Please take a minute to look through the different areas to position yourself on the start line according to how long you think it will take you to complete your ride.

On event day you will see our ride ambassadors holding signage at the start of each of these areas.

By self seeding yourself accordingly it will ensure that the mass start will flow smoothly and lessin the chance of any of collisions.

GF is GranFondo, MF is MedioFondo and PF is PrestoFondo
